### **Open Space Committee – Thursday, June 27, 2013**

Committee Members Present: Ann LeRoyer, Elizabeth Karpati, Joey Glushko, Leslie Mayer

Guest: Pam Heidell, Master Plan Advisory Committee

Since a quorum of OSC members was not present, the meeting was not official. The minutes of May 23 and other business topics were not addressed.

The primary topic of informal discussion among those present was the Master Plan process, and in particular the aspects of the Plan that relate to Natural and Cultural Resources, Open Space, and Recreation.

A public meeting is scheduled on July 16, 7:30 – 9:30 pm, in the Town Hall Annex, first floor, to discuss specific goals for the overall Master Plan that relate particularly to the above topics.

Another meeting on the same topics is scheduled for August 22.
